In **1988**, the Govt. of West Bengal, in the department of Panchayats & Rural Development restructured the institute into **SIRD** for **catering to the training needs in the diversified areas of rural development**. A parallel institute viz. the “**SIP**” (**State Institute of Panchayats**) for the purpose of imparting training to the EPRs was established one kilometer away from the campus of SIRD, AT Kalyani in the year **1991**. Apart from imparting training, the SIPRD acts as an institute for advanced studies and researches into rural governance and development.

TRAINING PLAN FOR THE YEAR 2014-15

STRATEGY/POLICY:

In view of limitations in the capacity of training in a year vis-a-vis large number of PRI members (more than Fifty one thousand) it was decided that the SRD Cell at the P&RD Department would look after capacity building of GP functionaries. Elected functionaries of PS and ZP would be taken care of by SIPRD. This strategy was followed scrupulously in imparting training to members after they were elected in the Panchayat General Election held in 2008.

The training plan for the year 2014-15 is a part of the perspective plan of the institute framed for the period 2013-18. Since the Panchayat General Elections for the 8th PRB concluded in 2013, the training of the key office bearers of middle tier Panchayat i.e. Panchayat Samiti received the topmost priority and accordingly the Training of the Sabhapati/Saha- Sabhapati had already been covered in 2013-14.

The training priority for the year 2014-15 would be as following:

- Training of approx. 200 nos. left out Sabhapati/Saha- Sabhapati of Panchayat Samiti is of topmost priority.
- The training of the chairpersons of the standing committees of Panchayat Samiti and Zilla Parishad (3150 nos.) would be taken up thereafter.
- The General members of Zilla Parishad (590 nos.) would come next in the calendar.
- The newly inducted/promoted officials of Panchayat Samiti and Block establishment (approx. 1650 nos.) would be imparted training as per their numbers and year of allotment.
- Theme Based (cell-wise like MGNREGS, NBA, Health, etc..) training would come in the befitting slots.
- 33 nos. NIRD networking programmes are proposed for the year.
- Exposure visits of other states would be accommodated as and when proposal received.
- Seminar, workshops have been incorporated as per previous experiences.
- Other deptt. training programmes, if asked for, would be adjusted as per requirement.

Based on the stated priority of the training need and limitations of the Institute (infrastructure, manpower and financial resources), the **State Institute of Panchayats & Rural Development**, Kalyani, West Bengal hereby publishes the **Training plan for the year 2014-15.**
